E SERVICE SUMMARY

25X1 The E Career Service currently has [] of its executive
positions filled by officers considered to be fully qualified. Although
25X1 [] officers are to be transferred to the Executive List in FY 1979,
25X1 [] retirements/resignations are also projected, indicating that the
percentage of positions filled by fully-qualified officers is not
likely to change significantly until at least FY 1980. When all GS-15's
on the Executive Development Roster are added to the pool of fully-
qualified Executive List personnel, the ratio of candidates to executive
25X1 positions is an acceptable [] However, it should be noted that only
25X1 [] GS-15's will be considered fully qualified during this
fiscal year.

25X1 The development of officers on the Executive Development Roster
was successful last year; [] the planned developmental actions were
carried out. In light of paragraph 1 above, it is clearly apparent
that this high rate must be sustained, if not increased, to develop
officers for projected vacancies.

Inasmuch as the professional positions in the Office of the
Comptroller are staffed by officers on rotation from the directorates,
no candidates are specifically identified and these rotational positions
should not be considered when reviewing the E Service Executive List
and Development Roster.

RECOMMENDATION: The E Career Service Board should closely monitor
developmental actions planned for officers on the Executive Development
Roster, particularly those at the GS-15 level, to prevent a shortfall
of fully-qualified candidates for executive vacancies in FY 80-81.
